I'm a versatile individual with experience across various domains, embodying a jack-of-all-trades mentality. Enthusiastic and collaborative, I thrive in team environments, bringing strong drive and determination to achieve results while maintaining attention to detail. Though still growing in my development journey, I'm motivated and committed to becoming a skilled developer.

EXPERIENCE

SOFTWARE ENGINEER INTERN 2024 - 2024

Batt Mobility @ Wintercircus // Reference : Bjorn de Rijcke

- Worked with Blazor, Azure, Web APIs, and Entity Framework to develop, debug, and optimize software features while ensuring maintainable code and functionality.

ENGLISH / DUTCH TEACHER 2019 - 2023

Sint-Janscollege / HTISA / Campus Saint-Jean

- Facilitated language learning through engaging lessons and interactive activities.
- Managed diverse classroom environments to ensure optimal learning experiences.
- Employed effective communication skills and teaching techniques to foster a collaborative learning environment.

MUSIC PUBLISHING ASSISTANT 2017 - 2019

The Right People / Hans Kusters Music

- Assisted in music licensing and rights management, organizing catalogs, clearing copyrights, and tracking royalties.
- Collaborated with artists, composers, and internal teams to ensure compliance with licensing agreements.

[PIAS] INTERN 2017 - 2017

PIAS UK London head office

- Assisted in day-to-day operations of the PIAS UK London office, gaining insight into music distribution and label management.
- Supported the team in various administrative tasks, including organizing promotional materials and maintaining databases.

SALES CAPTAIN (STUDENT JOB) 2012 - 2017

Pepperminds

As Sales Captain at Pepperminds, I led training sessions for large groups and participated in face-to-face marketing campaigns for NGOs, driving sales performance and achieving campaign objectives

LEISURE
